

As an exhibitor at LeadingAge, we view our relationship with you and your company as a long-term partnership. We want to make sure we're doing everything we can to help your company have a positive and productive exhibiting experience.

As part of our Exhibitor Success Program, we are providing a series of five strategic planning exercises to help you address the strategic factors that determine the difference between exhibiting success or failure.

We strongly encourage you to not only download each of these exercises, but more importantly to do the quick exercises presented. If you do, you will dramatically improve your odds of having a successful exhibiting experience.

Clarity is power! Half of success is simply being crystal clear about what you want to accomplish. The other half is creating workable action plans and executing to achieve your goals.
