

### List of Revised F-tags in New RoPs Guidance 2022

On June 29, 2022, CMS [released](#) revisions to the State Operations Manual, [Chapter 5](#) and [Appendix PP](#) that guides long-term care surveyors in enforcing the nursing home Requirements of Participation (RoPs). LeadingAge has organized by regulatory section a list of all F-tags that were impacted by these revisions. Under some F-tags, only minor revisions were made such as technical updates or additions of resources. Other F-tags received more substantial updates that impact operations. Please refer to the LeadingAge [Nursing Home RoPs Tools and Resources](#) page for tools and resources to assist you with compliance.
