## **EPIC Insurance Brokers & Consultants announces launch of EPIC Senior Living and becomes exclusive broker for LeadingAge national insurance program**

ALPHARETTA, G.A., USA—[EPIC Insurance Brokers & Consultants](#) announces the launch of [EPIC Senior Living](#), a practice purpose-built to address the challenging senior living insurance marketplace head-on. EPIC Senior Living has been named the exclusive broker and program administrator for LeadingAge’s national Aging Services Insurance program, offering strategic risk management and right-sized insurance coverage to meet each member’s unique needs.

With a leadership team that boasts over 25 years of healthcare operations and strategic alliance experience, EPIC has unparalleled insights into the specific risk and insurance needs of senior living organizations.

EPIC’s innovative approach to risk management combats a range of senior living insurance challenges that include climate-fueled property rate increases and climbing liability costs, rapidly evolving technology, and an increased threat of cyber-attacks, staffing shortages, and more.

“Each senior living facility has their own story,” said Walter Constantine, Vice President and Team Leader of EPIC Senior Living. “We’re here to support best in class organizations with tailored risk management and insurance offerings that meet their program’s needs and elevate their services.”

EPIC Senior Living will offer LeadingAge members comprehensive risk management services and insurance solutions that range from specialized coverage to general, professional, and management liability, commercial auto and property, abuse, excess/umbrella, workers compensation, cyber, medical billing, and errors and omissions. EPIC’s dedicated carrier panel provides long-term, stable solutions customized for the needs of the LeadingAge community.

“The imminent senior population growth coupled with a challenging senior living insurance marketplace requires proactive risk management solutions,” said Constantine. “Our experienced team is ready to help organizations get ahead of their own risks so they can thrive in the midst of an uncertain future.”
