

TABLE OF CONTENTS

Section 1: Activities of Daily Living	
Bathing: Bed Bath.....	
Bathing: Tub Bath And Shower.....	
Bed Making: Occupied	
Bedpans	
Eating/Feeding.....	
Grooming/Shaving	
Nail And Foot Care.....	
Oral Hygiene	
Personal Care For Unconscious Patient.....	
Shampooing Hair Of Bedbound Patients.....	
Transfer Technique: Assisting Patients From Bed To Chair	
Transfer Technique: Assisting Patients To Sitting Position	
Urinal Use	
Section 2: After Death	
Grief Support For The Patient, Family, And Caregivers.....	
Organ Donation.....	
Postmortem Care	
Section 3: Basic Skills.....	
Advance Directive Discussion	
Assessment: Height	
Assessment: Hydration.....	
Assessment: Nutrition	
Assessment Of Learning Needs	
Assessment: Weight Measurement.....	
Blood Pressure: Lower Extremity.....	
Blood Pressure Measurement Education.....	
Blood Pressure: Upper Extremity.....	

Body Mechanics	
Body Temperature Measurement: Axillary	
Body Temperature Measurement Education	
Body Temperature Measurement: Oral	
Body Temperature Measurement: Rectal	
Body Temperature Measurement: Temporal Artery.....	
Body Temperature Measurement: Tympanic.....	
Durable Medical Equipment.....	
Pulse Measurement Education.....	
Radial Pulse	
Teaching And Evaluation Of Learning	
Team Communication: Isbar.....	
Section 4: Behavioral Health	
Agitation Symptom Management.....	
Assessment: Mental Status.....	
Assessment: Suicide Risk.....	
Behavioral Issues.....	
Communication With Anxious Patients	
Depression: Older Adult Patients.....	
Section 5: Cardiovascular	
Apical Pulse.....	
Assessment: Cardiovascular	
Compression Stockings Application.....	
Ventricular Assist Devices.....	
Section 6: Hospice and End of Life Care	
Advance Directives.....	
Agitation Symptom Management.....	
Airway: Breathing And Coughing Techniques.....	
Anorexia Symptom Management.....	
Artful Conversations	
Catastrophic Bleed Symptom Management Management	

Central Venous Catheter: Maintenance And Dressing Change	
Central Venous Catheter: Removal.....	
Chest Tube Management.....	
Chest Tube Removal	
Constipation Symptom Management	
Crisis Management	
Dehydration Symptom Management.....	
Delirium Symptom Management.....	
Deprescribing.....	
Depression Symptom Management.....	
Determination Of Death: Adult	
Determination Of Death: Pediatric.....	
Diarrhea Symptom Management	
Distress Management For Patient, Family, And Caregivers	
Dysphagia Symptom Management	
Dyspnea Symptom Management.....	
Edema Symptom Management.....	
End-Of-Life Discussions	
Ethical Conversations At End Of Life	
Feeding Tube Care	
Feeding Tube Discontinuation	
Financial Screening.....	
Hiccups Symptom Management.....	
Hospice Philosophy.....	
Implantable Defibrillator Deactivation	
Mechanical Ventilation Management.....	
Mechanical Ventilation: Terminal Weaning	
Nausea Symptom Management.....	
Noisy Respirations Symptom Management.....	
Opioids At End-Of-Life	

Oxygen Safety	
Pain Assessment	
Pain Management At The End Of Life: Medications	
Pain Management At The End Of Life: Subcutaneous Infusion Initiation.....	
Pain Management At The End Of Life.....	
Seizures Symptom Management	
Sexuality At The End Of Life	
Spiritual Distress At The End Of Life	
Spiritual Needs Assessment	
Suctioning.....	
Symptom Management At End Of Life.....	
Tracheostomy Care and Suctioning.....	
Tracheostomy Tube Cuff Care.....	
Urinary Management At The End Of Life	
Ventilation: Noninvasive Cpap And Bipap.....	
Volunteer Needs Assessment.....	
Vomiting Symptom Management	
Wound Care: Odor Management	
Section 7: Gastrointestinal	
Colostomy Irrigation.....	
Constipation Management	
Enemas	
Fecal Impaction Removal.....	
Feeding Tube Education.....	
Feeding Tube: Enteral Nutrition Administration	
Feeding Tube: Irrigation	
Feeding Tube: Medication Administration	
Feeding Tube: Verification Of Placement.....	
Gastrostomy Tube Reinsertion	
Gastrostomy Tube Removal.....	
Parenteral Nutrition Management Education	

Percutaneous Endoscopic Gastrostomy Tube Care.....	
Percutaneous Gastrostomy Tube Care.....	
Percutaneous Jejunostomy Tube Care.....	
Pouching: Colostomy Or Ileostomy.....	
Section 8: Infection Control	
Agency Program: Infection Control Risk Assessment	
Agency Program: Infection Control.....	
Agency Program: Infection Surveillance	
Bedbugs.....	
Caps, Masks, And Eye Protection	
Clostridium Difficile.....	
Hand Hygiene	
Infested And Unsanitary Homes.....	
Lice, Body/Pubic.....	
Scabies.....	
Standard Precautions.....	
Transmission Precautions	
Tuberculosis.....	
Section 9: Laboratory and IV	
Arterial Puncture: Arterial Blood Gas Sampling	
Blood Specimen Collection: Blood Cultures	
Blood Specimen Collection: Venipuncture Vacuum-Extraction Method.....	
Central Venous Catheter: Blood Sampling	
Clia Waived Testing.....	
Implanted Venous Port: Access	
Implanted Venous Port: Deaccess	
Implanted Venous Port: Care.....	
Intravenous Therapy: Initiation.....	
Midline Catheter: Maintenance And Dressing Change	
Midline Catheter: Removal	
Peripherally Inserted Central Catheter: Blood Sampling	

Peripherally Inserted Central Catheter: Maintenance and Dressing Change...	
Peripherally Inserted Central Catheter: Removal.....	
Prothrombin Time/International Normalized Ratio Testing	
Specimen Collection: Nose And Throat.....	
Specimen Collection: Stool.....	
Specimen Requisitions And Transportation	
Sputum Specimen Collection.....	
Urine Specimen Collection.....	
Vaginal Specimen Collection	
Wound Culture Specimen Collection.....	
Section 10: Medications	
Anaphylaxis And First Dose.....	
Elastomeric Infusion Device	
Medication Administration: Continuous And Intermittent Subcutaneous Infusion	
Medication Administration: Ear Drops.....	
Medication Administration: Eye.....	
Medication Administration: Intermittent Infusion Methods.....	
Medication Administration: Metered-Dose Inhalers.....	
Medication Administration: Nebulized	
Medication Administration: Oral	
Medication Administration: Rectal	
Medication Administration: Subcutaneous Injections.....	
Medication Administration: Topical	
Medication Administration: Vaginal Instillations.....	
Medication Disposal	
Medication Reconciliation.....	
Medication Self-Administration Education	
Medications And Medical Devices.....	

TABLE OF CONTENTS

Section 11: Mother And Baby	
Antepartum Screening For Psychosocial Risks	
Assessment: Newborn	
Assessment: Postpartum Patients.....	
Assessment: Preterm Labor.....	
Breastfeeding Education	
Fetal Heart Rate	
Fetal Movement Counts.....	
Formula Feeding Education.....	
Gestational Diabetes.....	
Gestational Hypertension.....	
Hyperemesis Gravidarum.....	
Newborn Bath, Circumcision, Skin, And Cord Care	
Newborn Care Education	
Phototherapy Blanket For The Newborn	
Postpartum Breast Care And Problems	
Postpartum Breast Pumping	
Section 12: Musculoskeletal	
Ambulation Aid Education	
Assessment: Musculoskeletal And Neurologic.....	
Osteoporosis Management.....	
Range Of Motion Exercises.....	
Transcutaneous Electrical Nerve Stimulation (Tens) Unit.....	
Section 13: Pain	
Analgesia: Removal Of Local Infusion Pump.....	
Comfort Promotion: Back Rub	
Comfort Promotion: Deep Breathing	
Comfort Promotion: Guided Imagery And Visualization	

Comfort Promotion: Positioning	
Comfort Promotion: Progressive Relaxation	
Comfort Promotion: Skin Care	
Moist And Dry Heat: Compresses And Sitz Baths	
Pain Assessment And Management	
Section 14: Pediatric Hospice And End Of Life	
Abuse And Neglect: Pediatric	
Anorexia Symptom Management: Pediatric	
Artful Conversations	
Comfort Promotion: Skin Care For Pediatric Patients	
Constipation Symptom Management: Pediatric	
Crisis Management: Pediatric	
Dehydration Symptom Management: Pediatric	
Distress Management For The Pediatric Patient, Family, And Caregivers	
Dysphagia Symptom Management: Pediatric	
Dyspnea Symptom Management	
Grief Support For The Pediatric Patient, Family, And Caregivers	
Medication Administration: Oral For Pediatric Patients	
Medication Administration: Rectal For Pediatric Patients	
Medication Administration: Syringe Pump Method For Pediatric Patients	
Medication Administration: Topical For Pediatric Patients	
Pain Assessment: Pediatric	
Pain Management At The End Of Life: Pediatric	
Postmortem Care: Pediatric	
Tracheostomy Tube Suctioning	
Ventilation: Noninvasive Cpap And Bipap For Pediatric Patients	
Section 15: Pediatric	
Admission Assessment: Pediatric	
Aspiration Precautions: Pediatrics	
Assessment: Weight And Linear Growth Measurement: Pediatric	
Body Temperature Measurement: Axillary: Pediatric	

Body Temperature Measurement Education: Pediatric	
Body Temperature Measurement: Oral: Pediatric.....	
Body Temperature Measurement: Rectal: Pediatric.....	
Body Temperature Measurement: Temporal Artery: Pediatric.....	
Body Temperature Measurement: Tympanic: Pediatric	
Chest Physiotherapy: Percussion, Vibration, And Postural Drainage.....	
Comfort Promotion: Distraction For Pediatric Patients	
Dyspnea Management: Pediatric	
Feeding Tube: Enteral Nutrition Administration For Neonates.....	
Feeding Tube: Enteral Nutrition Management Education: Pediatric.....	
Feeding Tubes: Gastrostomy, Jejunostomy, And Gastrojejunostomy Tube Care: Pediatric.....	
Nasogastric Or Orogastic Tube Insertion And Removal: Pediatric	
Nasopharyngeal Suctioning: Pediatric.....	
Oxygen Therapy And Oxygen Delivery: Pediatric	
Pain Assessment And Management For Pediatric Patients	
Safe Environment: Pediatric	
Seizure Precautions: Pediatric.....	
Skin Assessment: Pediatric.....	
Tracheostomy Care And Suctioning: Home Management Education: Pediatric	
Tracheostomy Tube: Change For Pediatric Patients	
Tracheostomy Tube: Closed Suctioning For Pediatric Patients.....	
Tracheostomy Tube: Open Suctioning For Pediatric Patients.....	
Tracheostomy Tube: Stoma Care And Tie Change For Pediatric Patients.....	
Section 16: Renal/Endocrine	
Blood Glucose Monitoring	
Diabetic Foot Care	
Diabetic Foot Screening.....	
Hyperglycemia Management	
Hypoglycemia Management	

Nephrostomy Tube Care And Flushing.....	
Peritoneal Dialysis Dressing Change.....	
Section 17: Respiratory	
Closed Chest Tube Drainage System: Setup Of Wet And Dry	
Dyspnea Management.....	
Humidity Administration: Ventilator	
Liquid Oxygen System.....	
Manual Ventilation With A Handheld Resuscitator.....	
Mechanical Ventilation: Long-Term Invasive.....	
Oxygen Equipment.....	
Oxygen Tank Regulators.....	
Peak Expiratory Flow Measurement	
Pleural Catheter Management.....	
Pulse Oximetry	
Speaking Valve Placement And Removal	
Suctioning: Nasotracheal.....	
Suctioning: Oropharyngeal	
Tracheostomy Humidification.....	
Tracheostomy Tie Change	
Tracheostomy Tube Change	
Unplanned Tracheostomy Tube Decannulation	
Ventilation: Noninvasive Cpap And Bipap.....	
Ventilator Management: Settings And Alarms.....	
Section 18: Safety	
Abuse And Neglect Of Older Adults	
Blood And Body Fluid Spills.....	
Fall Prevention.....	
Home Safety For Patient And Family.....	
Home Safety For Staff.....	
Latex Allergy.....	
Linen Management	

Safety Adaptations For Patients With Cognitive Deficits.....	
Safety Risk Modifications	
Sharps Storage And Disposal.....	
Supply Bag Technique.....	
Section 19: Skin/Wounds.....	
Assessment: Pressure Injury And Wound.....	
Burn Wound Care	
Closed Suction Drain With Bulb: Nursing Management.....	
Closed Suction Drain With Bulb: Removal.....	
Negative-Pressure Wound Therapy.....	
Pressure Injury: Risk Assessment And Prevention	
Pressure Injury: Treatment	
Unna Boot Application	
Unna Boot Removal.....	
Wound Debridement.....	
Wound Irrigation	
Wound Packing.....	
Section 20: Genitourinary.....	
Intermittent Self-Catheterization Education.....	
Pouching: Urostomy.....	
Suprapubic Catheter Reinsertion	
Urinary Catheter: Condom And External Male.....	
Urinary Catheter: Indwelling (Foley) Catheter Care.....	
Urinary Catheter: Indwelling (Foley) Catheter Removal.....	
Urinary Catheter: Indwelling (Foley) Catheter Insertion (Female)	
Urinary Catheter: Indwelling (Foley) Catheter Insertion (Male).....	
Urinary Catheter: Straight Catheter Insertion (Female)	
Urinary Catheter: Straight Catheter Insertion (Male).....	
Urinary Catheter: Suprapubic Catheter Care
